AUBURN GRESHAM

Senior Suites of Auburn Gresham has been developed in cooperation with the Mayor's Office and the City of Chicago's Departments of Housing, Aging and Planning and Development. It is developed by Senior Lifestyle Corporation and The Beloved Community and managed by Senior Lifestyle Management Corporation. As with all Senior Lifestyle communities, Senior Suites are members of a family of senior living communities that provide superior service and exceptional value.

In addition to 85 affordably priced senior rental apartments with the wonderful amenities and services that have become the trademark of Senior Suites, the proposed development of Senior Suites of Auburn Gresham will include a CDoA satellite senior center serving seniors throughout the surrounding areas.
